### Lunchtime!

Can you help the fox decide what to eat for lunch?

Draw arrows to two things that the fox would prefer to eat for lunch.

Fish

Mice

Grass

Insects

Leaves

## Fox Signs

Become a fox detective and look for the signs that foxes leave behind.

This hole might be an entrance to a fox house we call this an <u>earth</u>. Baby foxes would be born in here. We call them cubs.

A fox paw print - you might see these in soft mud.

Fox poo! We call these scats and they are used to mark the fox's territory.

### Fox Poem

Red fox

Ears pricked

Darting into the long grass

Fiery red fur

Often nocturnal

eXtraordinary animal

Can you complete the following sentence?

Foxes are \_ \_ \_ \_ \_ \_ \_

### Designed for Hunting

### Colour Me in

Can you colour the fox cub in and name three things that will help it to catch small mammals when it's older. Look for:

Long claws
Big ears
Long whiskers

B\_\_\_E
